AREA LANDSCAPE COMPANY WINS STATEWIDE AWARDS

Ohio Nursery & Landscape Association Celebrates Excellence in the Landscape Profession

January 30, 2014 – Mentor, OH – Miriam's River House Designs, LLC is proud to announce it has achieved award-winning status from The Ohio Nursery and Landscape Association (ONLA) in its prestigious 41st annual Landscape Awards Program.

Miriam's River House Designs, LLC was presented with the Project of the Year Award, the highest recognition awarded, and a Grand Award in the Residential Installation \$50,001 & Over Category for the "Meditation Pavillion" Project.

Miriam's River House Designs, LLC was presented with a coveted Grand Award in the Residential Installation \$15,001 to \$50,000 Category for the "Stone Arch" Project.

Miriam's River House Designs, LLC was presented with a coveted Grand Award in the Residential Installation Under \$15,000 Category for the "Japanese Green Roof Arbor" Project.

The Landscape Awards Program encourages landscape contractors and landscape architects to continue their efforts to raise the industry's image through consistent use of quality materials and skilled craftsmanship.

The ONLA's Landscape Awards Program also makes citizens aware of how quality landscaping can improve our environment and property values, recognizes citizens who have taken action through quality landscaping, and rewards skilled professionals who have executed quality workmanship. The program is open to both members and non-members of the ONLA. A jury of distinguished professionals in the fields of landscape architecture, education and horticulture evaluated entries and recommended recipients to the ONLA Landscape Awards Committee.

Miriam's River House Designs, LLC, one of only 11 winning companies in Ohio, was recognized during a ceremony hosted by the ONLA on Monday, January 13, 2014 at the Greater Columbus Convention Center.

###

About The ONLA

The Ohio Nursery and Landscape Association (ONLA) leads, promotes and facilitates the success and growth of green industry businesses. ONLA is a non-profit trade association, incorporated in the State of Ohio, representing the interests of the interests of the state's nursery, garden center, and landscape industry. Membership is comprised of nursery stock growers, landscape contractors and maintenance firms, garden centers, arborists and allied suppliers. With over 1,300 members, ONLA seeks to enhance the environment and quality of life for all.
